WEDNESDAY EVENING, FEB. 18, 1903.

It's What We Haven't Got We Want. Once upon a time there lived a kitten with a tail so long that he could catch it any time he liked.

The other kittens envied him.

"What the rest of us tire ourselves

out in the pursuit of you have at once!" exclaimed they.

"And yet I am not happy," protested

the kitten. Now, this was a great mystery am

the cats, for they were devoid of hu-man discernment.—Life. Old Washington Custom.

According to ancient and established usage, United States senators send out

small envelopes containing their cards at the beginning of every session, and the dainty little missives are distrib-uted through the senate postoffice. This custom dates back beyond the memory of any living senator, and even beyond the bounds of official record.-National

Suited Them Better. First Youth-That was a great tragedy, wasn't it? Did you take your par-

The Easy Pill.

The Easy Pill.

DeWitt's Little Early Bisers do not gripe nor weaken the system. They cure biliousness, jaundice, constipation and inactive livers, by arousing the secretions, moving the bowels gently, yet effectually, and giving such tone and strength to the glands of the stomach, liver and bowels that the cause of the trouble is removed entirely. These famous little pills exert a decided tonic effect upon the organ involved, and if their use is continued for a few days there will be no return of the trouble. E. S. Leadbeater & Son.
